

ECREA Organisational and Strategic Communication (OSC) Section
Annual Report 2020

Management Team

Chair: Isabel Ruiz-Mora (University of Malaga, Spain)

Vice-Chair: Evandro Oliveira (Universidade da Beira Interior, Portugal)

Vice-Chair: Joan Ramon Rodriguez-Amat (Sheffield Hallam University, UK)

Dear members,

Hope this email finds you well.

We present the 2020 annual report from the ECREA-OSC section. As you know our section has suffered a reduction of activities due to the COVID19 pandemic. During this year:

- We have continued sending our section newsletters and emails (with CFP, book announcements, universities positions and relevant information for our section).
- We have signed a collaboration agreement between our section and EUPRERA <https://euprera.org>. This agreement will improve the relationship between both associations and will strengthen strands for mutual cooperation. This is particularly interesting for our section, as this agreement can increase the possibilities of our research and education activity.

For 2021, we have planned a series of virtual of events preparing our route to ECREA 2021 Conference in Portugal, and we hope to have elections irrespective of the format of the conference.

If you have any information about events, publications, projects, research grants... you would like to share, please do not hesitate to contact us.

Best regards and take care

The OSC Section Management Team
Isabel, Evandro and Joan
