

Dear members of the ECREA OSC Section,

We hope this mail finds you well.

Despite we have promised in our last newsletter instructions for presenting formal nominations of candidates for the management team, we have not had the chance to send that - we apologise for that. Therefore, we are quite late, as the candidates info should be already on the intranet. Despite, we have two members that showed interest on cooperating after our last call and we are already working out a joint team to be candidate. We also have a proposal on changes on our modus operandi to be discussed and voted in Aarhus.

Nevertheless, we welcome other nominations. If you would like to serve on the management team for our section, please feel free to submit your candidature individually or as a team of three people by **October 4th, 2022**.

When submitting your candidature, please add:

- A short bio
- A brief position statement of 500 words max.

Please submit your candidature to our election officer: Joan Ramon Rodriguez-Amat (j.rodriguez-amat@shu.ac.uk)

The new management team elected in 2022 will be running for two years mandate. The ECREA bylaws can be consulted here: <https://ecrea.eu/Bylaws>.

Best regards and take care,

Evandro, Joan and Ileana
