

Philosophy of Communication section

In this Pandemia-year Philosophy of Communication section did not do much:

- We did not organize any events during 2020.
- The section, however, continued close cooperation with *Empedocles: European Journal for the Philosophy of Communication*.

Also, due to the aforementioned conditions Management team remained the same (elected in 2018):

Chair: Kęstas Kirtiklis (Vilnius University, Vilnius, Lithuania).

Vice Chairs: Joana Bicacro (Universidade Lusófona, Lisbon, Portugal),

Eli Dresner (Tel Aviv University, Tel Aviv, Israel).

Membership of the section with more than 150 members remained stable in 2020.
