

## **ANNUAL REPORT 2007**

### **Interpersonal Communication and Social Interaction**

The section was founded in August 2007. The composition of the section's Executive Team is as follows:

Chair: Maarit Valo, University of Jyväskylä, Finland

Vice-chair: Owen Hargie, University of Ulster, Northern Ireland

Vice-chair: Pekka Isotalus, University of Tampere, Finland.

The section has been active for just over three months. This autumn we have sent information about the section through a variety of mailing lists. Preparations are under way for what we hope will be a successful participation in ECC08 (Barcelona, 25-28 November 2008).
